

# Surface Matters!!

An update on artificial grass and sports surfaces

Issue 7

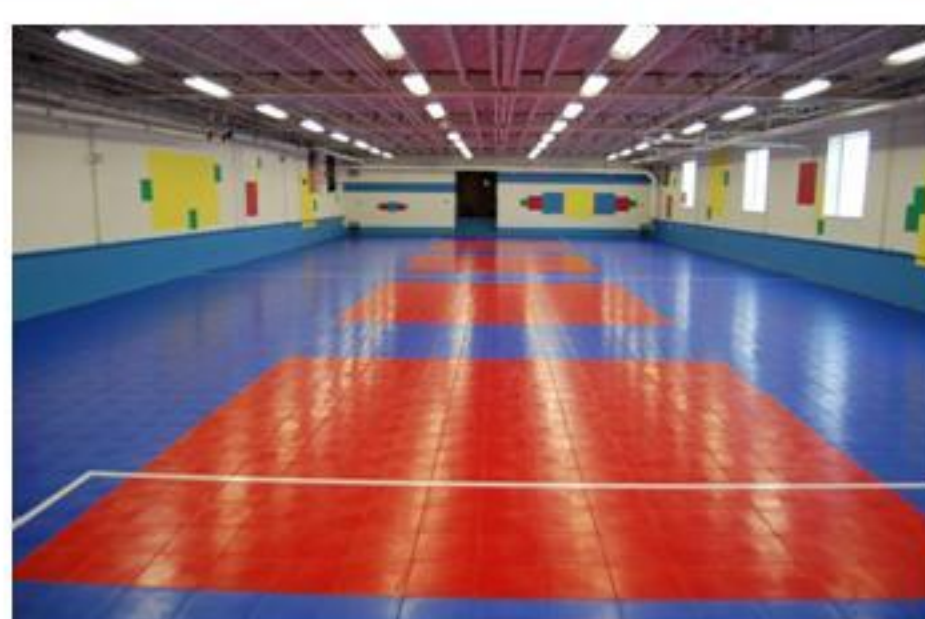

## Great Sports Infra launches new website

Great Sports Infra launches its new website - [www.greatsportsinfra.com](http://www.greatsportsinfra.com). It provides comprehensive information on GSI's new product lines: Inter-locking modular sports flooring from SnapSports®, sports field conditioning systems from SubAir® and synthetic tracks from Porplastic.

## Introducing Innovative Modular Sports Flooring Systems

This patented inter-locking system from SnapSports® (USA) is suitable for a variety of Indoor and Outdoor sports, comes with a 12 year Warranty (lasting over 20 years) and can be installed or re-located quickly. The various options suit every level of play and every budget. SnapSports® is ITF certified and a FIBA Associate manufacturer.

## What Clients say!!

**Steve Pastorino**  
General Manager  
USA Team Handball

*"USA Team Handball has invested in the SnapSports® flooring for the multiple National championships for the past two years. We are highly satisfied with products from SnapSports®."*

## ABOUT GREAT SPORTS INFRA

GSI is India's leading sports infrastructure solution provider. It was the first company to introduce the next-generation artificial grass which "Looks Like Grass...Feels Like Grass...and Plays Like Grass" and today, there are over 2,700 installations across 170 cities & towns in India. Prominent clients include Microsoft, Coca-Cola, Infosys, Taj Mahal Palace & Towers, Salt Lake stadium, Reliance Industries and many more. The product portfolio spans artificial grass for sports & landscaping; complete range of indoor and outdoor sports flooring; running tracks and sports field conditioning systems. GSI is a finalist of the prestigious TATA NEN Hottest Start-ups and ET-Power of Ideas.
