## FieldTurf Scores a Hat-Trick with 3 Synthetic Turf Football Fields in India

FieldTurf, the world leader in artificial grass, has completed 3 prestigious football field projects in Shillong, Aizawl and Lunglei. Our past installations – including the FIFA 2-Star rated field at Salt Lake stadium – and the positive feedback from players and administrators helped clinch these deals.

## India's first SubAir® System Installation @ DLF Golf & Country Club

SubAir® system — a sub-surface Aeration & Water Evacuation solution – was installed at India's prestigious DLF Golf & Country Club for their 7th Green. It enables air-exchange in the root zone to promote deeper roots and healthier grass thereby improving playability. The result is world-class sports turf that would compare favorably with the best Championship Golf Courses in the world.

## What our Client says!!

*"The entire project (Football Field) was executed professionally. Your technicians showed great expertise in designing and constructing the sub-base and then the installation of the FieldTurf itself with sophisticated equipment.*

*We commend Great Sports Infra for a wonderful job and look forward to your continued support."*

Mr. ZODINTLUANGA  
Hon'ble Minister for Sports & Youth Services  
Govt. of Mizoram
