Sub: Supply and installation of FieldTurf FTOS 1S artificial turf soccer field in Gangtok, Sikkim

Dear Mr. Anil Kumar,

The Department of Sports & Youth Affairs is extremely pleased and appreciates the work of supply and installation of FieldTurf artificial grass at the Paljor Stadium, Gangtok, Sikkim.

The field was inaugurated by the Hon'ble Chief Minister of Sikkim, Mr. Pawan Chamling and dedicated to the people of Sikkim for their love of football. It is over a year now since the installation and the field has featured I-League matches and an exhibition match featuring international stars.

The construction of the sub-base and the turf itself with sophisticated equipments was state of the art quality and withstood the earthquake last year and no major damage happened to the field.

The Department commends Great Sports Infra for a job done professionally and looks forward to your continued support and is proud to own the largest artificial soccer field (as per area in sft) in the SAARC region.

With regards

(Karma P. Bhutia)

Secretary

Department of Sports & Youth Affairs
